Ancaster, ON (Sept 25, 2024) – Vacations for Canadians is proud to have four agents that were awarded Nexion Travel Group's Circle of Excellence. Nexion, the travel industry's premier host agency for independent travel professionals, annually awards its circle of Excellence award to travel advisors who have sold the most travel with its preferred supplier partners.

"Having four agents receive this distinction is a testament to the service and expertise of both our travel advisors and our agency team," said Teena Dowd, Owner of Vacations for Canadians. *"We continually strive to provide our clients with exceptional service, fantastic rates and provide the highest level of integrity and destination knowledge."*

Jason Mace, Matthew Houtby, Richard Ayoup and Teena Dowd were all awarded the Circle of Excellence Award which places them in an exclusive group, among the top 5 percent of Nexion's members able to earn this award.

"Congratulations to all four of these agents," said Jackie Friedman, CTC, CTIE, President of Nexion Travel Group. *"Reaching the Circle of Excellence is not an easy undertaking. Although it is given in recognition of excellence in sales, it also points to a stellar record of providing personalized expertise and service to travellers and making sure they have a great trip."*
